

**Make-up Kits**  
**Edmonton School of Ballet**  
**2011-2012**

In order to streamline our performances and provide a professional look to all our dancers, please find listed below the colours that have been approved for dancers at the Edmonton School of Ballet. Students from Beginner 3 years –Junior 1 strongly recommended to use these colours. Starting in Junior 2, these are the colours that are required.

Items are listed with as much information as possible so that you can purchase these items easily. They are available from a variety of stores. Information on make-up application can be found on our website at [www.esbdance.com](http://www.esbdance.com).

If you wish, pre-made kits can be ordered through our Parents' Committee to save you the hassle of finding the items on your own. (Please see attached). Since we will get a bulk discount, you can support our Parents' Committee and get your items for the same price! You are free to purchase your own items, but may have to shop around and some stores charge more for these items than others (for example, the Sr. Kit can run \$80+ at some stores, but we can get the kit in for \$75).

Please note these are the required make-up colors for all performances, whether you choose to buy the kits or not.

Please note that foundation and mascara are not included in the kit. Foundation should be one shade darker than the dancers' skin tone. This prevents the dancers from being washed out (too pale) on the stage.

The sharing of make-up is not recommended due to bacteria and other issues that can be passed between dancers.

The Edmonton School of Ballet Parent's Committee will be selling make-up kits with proceeds supporting the school. Kits ordered by February 1<sup>st</sup> will be available for Spring Show. Additional orders will be made as needed.

Allergic to make up?

If you have allergies or skin sensitivities, we can offer the following advice.

Using a high quality, hypo allergenic foundation can often resolve these issues, allowing students to use the make-up in the kit.

If skin reactions still occur, the following Clinique brands are suggested: Colour Surge Eye Shadow Trio in Totally Neutral, Blushing Blush Powder Blush in Breathless Berry, Kohl Shaper for eyes in Black Coffee, Long Last Lipstick in Red, Red, Red. (Please note these will not exactly match our colours and these make-up choices should be discussed with your teacher. Kit items/colours should be used whenever possible).
